

# U-Bolt - Round Bend / Polyolefin Coated

Made to fit steel or wrought iron pipe sizes, our Polyolefin Coated U-Bolts are designed to reduce the effects of corrosion or vibration in harsh applications.

Each Coated U-Bolt is available with nitrile support pads, full round thermoplastic, or half round thermoplastic pads. Coated U-Bolts are available in carbon, alloy, or stainless steels and are delivered without nuts or pads unless specified by the purchaser.
